

At the March MLAT meeting, residents updated plans for
COMMUNITY ACTION

Where we live:

We congratulate East Central Mouslecoomb Tenants & Residents in their improvements of Hodhsrove Woods and the new sign for summer informing about local wildlife. You can ask your resident involvement officer about your resident's group and what they can do:

Hannah.Barker@brighton-hove.gov.uk, 01273 296639

MLAT will continue to organise walkabouts and respond to reporting cards on environmental issues. For more information contact Cllr Meadows.

MLAT will continue to include contacts for university liaison staff in newsletters. They can respond to concerns around student HMOs.

MLAT still want to encourage more composting. There are community composters at the Forest Garden and Brighton University Falmer campus, but if you would like to suggest a community site please contact Brighton & Hove Food Partnership: <http://bhfood.org.uk/support-for-community-composting-sites>

If you simply want to compost at home you can make use of the council discount on new composters on 0844 571 4444
For more information, visit the council website.

COMMUNITY ACTION

Feeling Safe:

MLAT are constantly liaising with highways, Amex and parking enforcement to try to make our roads safer and the design changes linked to Preston Barracks will be closely scrutinised.

Please remember to report information on crime: telephone 101 or online: <https://www.sussex.police.uk/contact-us/report-online/>

See page 5 for more details.

'Celebrate' with The Bevy

Friday 24th March
from 1- 5pm

Call Helen Jones on 07570 794575 or email hjones@bridgecommunity.org.uk

COMMUNITY ACTION **Feeling well:**

MLAT encourage local people to apply for Healthy Neighbourhood Funding to put on healthy activities. Please come along to our Health Event on 15th June to find out more.

We are still hoping to get outdoor gym equipment at Wild Park. You can help progress this by signing the support letter. Contact Kirsty on 07939831160 or kirstywalker@trustdevcom.org.uk

Food poverty continues to be a concern in several parts of the city. MLAT will continue to include a healthy affordable recipe in each issue and signpost people to Brighton & Hove Food Partnership They will be attending one of our future meetings please look on Facebook.

We are pleased to see the neighbourhood care scheme coming into this area as it has worked so well elsewhere in the city and is a simple way to combat loneliness and isolation.

We are committed to promoting the five ways to wellbeing:

1. Connect – why not join a local group
2. Be active – try an HNF funded activity – look on page 2
3. Take notice – read our newsletter and get to know your area
4. Keep learning – try a course at the Bridge
5. Give – why not volunteer a little time to a local group or centre
