## Community round up

It is with sadness that we write about **Pauline Rowland's** passing. She had volunteered for decades on the estate. Many adults would remember her from their youth, and many older people will remember her Mad Hatters Lunch Club and her Trips. Many others who knew and respected her attended her funeral on 10<sup>th</sup> March. Her wake was at St Georges Hall where she managed the bookings in recent years despite her poor health. A plaque will be put up in the hall to commemorate her many years of voluntary service.

St Georges Hall must take this opportunity to ensure that anyone who had booked the hall or wishes to can **confirm their booking with Tracey Cox on 07856 498 605.**

**New Life Church** continue to operate at **St George's Hall Sunday Service 10.30-12.**
