

BACA Bulletin

After a brilliant start to the new year with the wonderful news of our “Good” Ofsted Result and an Outstanding for the safety and welfare of the students, BACA certainly has more good news to come with plenty of opportunities opening up to our pupils for a bright and successful future.

With the arrival of the newly developed *Sir Rod Aldridge Cricket Centre* and the highly acclaimed *British and Irish Modern Music Institute* (BIMM) joining us in September 2017, we are looking forward to an exciting and eventful year ahead.

The Cricket Centre, located on the BACA campus, will provide dedicated and specialist training, helping to maintain and promote fitness alongside our Sixth Form Aldridge Educational Courses, assisting students with their studies and professional cricket development.

The partnership with the *Brighton and Irish Modern Music Institute* (BIMM) and the Academy will be offering Post 16 courses covering Event Management, Music Production, Music Performance and Music Journalism hosted by BIMM, enabling students to develop their talents in the musical arts.

We will also be introducing a BACA School Bus to and from the Academy in September, for our year 7 Pupils who currently live in the Whitehawk and Woodingdean area. Furthermore, in the next coming weeks, we will be looking forward to meeting our new year 7 pupils who will be joining us in September. We are thrilled to share with them all the opportunities open to them during their time here at BACA.
